#### Key to sources and abbreviations

This list was compiled from a number of sources:

- KL – Dearing, E. and K. Sullivan. 2010. Catalog of native vascular plants observed Mt. Konocti County Park.(Unpublished manuscript provided to us by Jim Dempsey, State Parks).
- CL – Author unknown. Date unknown. Plants at Clear Lake SP, Silverado. (Unpublished manuscript provided to us by Jim Dempsey, State Parks). Some plants cited on this plant list were removed from the final compilation, because the species listed are out of range for this location.
- Grewell, B. 2008. Clear Lake State Park water depth transect quadrats from a study of environmental parameters and plant community associates of *Ludwigia hexapetala*. Data provided to Ellen Dean by Brenda Grewell, 2013.
- Herbarium specimen data. Citations are provided as a last name and a number. If no herbarium is cited, the specimens are housed at the UC Davis Center for Plant Diversity. If a herbarium code is provided (such as CAS), the specimens are housed at the herbarium cited. Herbarium codes can be looked up at the online site “Index Herbariorum.”
- Nonnative species names are followed by an asterisk.
- Rare native species names are followed by (R).
