UC Davis Center For Plant Diversity
And The Davis Botanical Society

Invite you to:

A Winter Botanical Tea in the Herbarium
and
a Display of Greek Specimens Collected by June McCaskill and Louis Grivetti as part of the “In the Footsteps of Theseus” Project!

WHEN: 4-6 PM Wednesday January 21, 2015
WHO: anyone with an interest in plants, Greek mythology, archeology, June and Lou, and/or museums
WHAT: light refreshments and good company with a display of plant specimens collected as part of a very interesting project that combined archeology, history, mythology, and botany
WHERE: UC Davis Center for Plant Diversity, 1026 Sciences Laboratory Building, UC Davis Campus
WHY: Winter quarter is a great time to look at dead plant specimens indoors and to connect with other plant-enthusiasts.

Please contact Ellen Dean (eadean@ucdavis.edu) if you have questions or would like more information. We look forward to sharing camaraderie among plant enthusiasts from different backgrounds. Please join us!
