The Once-a-Decade

Center for Plant Diversity

BOOK SALE!!!!!

Sunday, November 16, 2014, 1 – 5 p.m.

Sciences Laboratory Building Lobby
505 Hutchinson Drive, just east of Kleiber Hall Drive
University of California, Davis Campus

All proceeds benefit the Center for Plant Diversity Herbarium

For a decade (or more), supporters have been donating books to us to be sold at a book sale to support the herbarium. The book sale is now a reality! Our inventory includes a wonderful selection of botany, ecology, and other science-oriented titles from the libraries of retired botanists and others who are reducing the size of their libraries.

The full list of books to be sold will be posted on our website (herbarium.ucdavis.edu), hopefully by the end of September. If you cannot make it to the sale, and you see something on the list that you would like to purchase, let us know, and perhaps we can work out another arrangement (not guaranteed).

Sales tax will be applied to all purchases. We can accept check or cash only (we do not have a credit card processing system). For more information, please call Ellen Dean/Jean Shepard at the UC Davis Center for Plant Diversity, 530 752 1091 or email eadean@ucdavis.edu.
